COMPANY PROFILE

Company Overview

A Diversified African FMCG Platform

RainmakerFMCG is a South Africa-based, diversified FMCG company operating across wellness, nutrition, and consumer health categories. The business serves retail, pharmacy, wholesale, and export markets across South Africa and the broader African continent.

Built on a foundation of compliant manufacturing, scalable distribution, and commercially focused product development, RainmakerFMCG is positioned to meet the growing demand for accessible, evidence-based wellness solutions across African markets.

Nutritional Products

Science-backed formulations across vitamins, minerals, and functional nutrition.

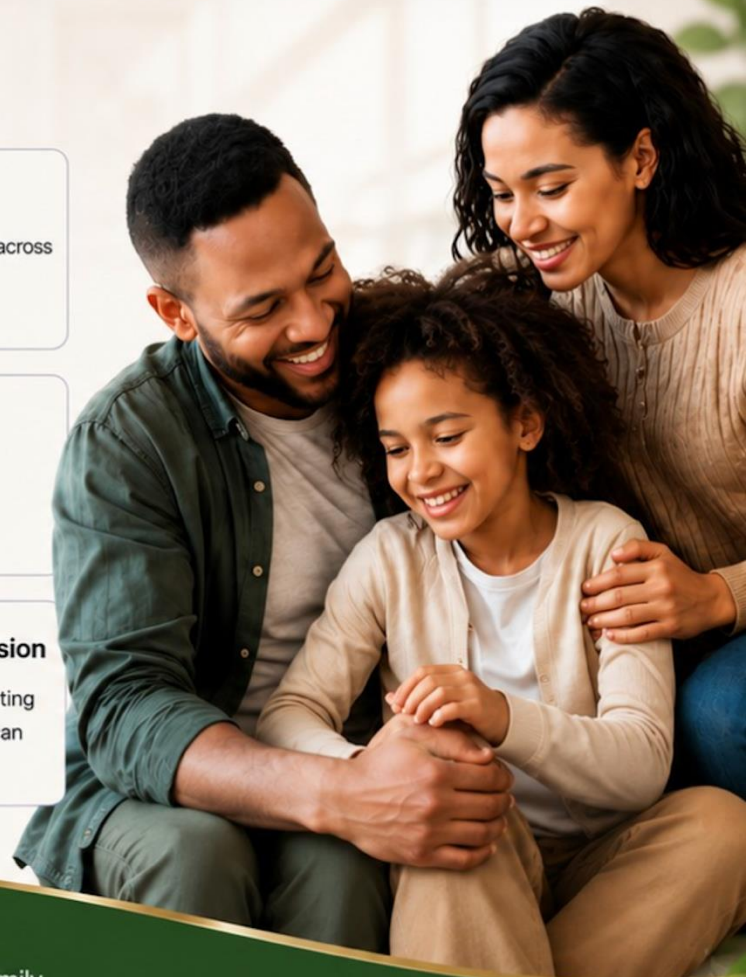

Scalable Distribution

Multi-channel reach across retail, pharmacy, wholesale, and export.

African Market Expansion

Active growth strategy targeting SADC and broader pan-African trade corridors.

Stevia — Natural Sweetness

BOTANICAL WELLNESS

ZERO CALORIE

Our premium Stevia range speaks directly to the fastest-growing consumer movement in global FMCG: the desire to reduce sugar without sacrificing pleasure. Derived from the *Stevia rebaudiana* plant, our sweetener range is **100% natural**, **zero-calorie**, and beautifully packaged to command premium placement in health food, grocery, and pharmacy channels.

NO BITTER AFTERTASTE ←

Zero Calories

Supports weight management, diabetic-friendly diets, and calorie-conscious lifestyles without compromise on sweetness.

100% Natural

Plant-derived from certified botanical sources. No artificial sweeteners, no chemical processing.

Versatile Formats

Available in sachets, tablets, and liquid drops — designed for home, hospitality, and foodservice applications.

No Bitter Aftertaste

Delivers clean, smooth sweetness your customers will love — with no lingering bitter taste.
