

Wellness, Reinvented *at the Cellular Level*

FASTER ABSORPTION.

SMARTER NUTRITION.

REAL RESULTS.

Not all supplements are absorbed equally.
We engineered a better way.

SUBLINGUAL DELIVERY

Absorbed directly
into the bloodstream

FASTER, MORE EFFECTIVE RESULTS

Bypasses digestion for
maximum absorption

ESSENTIAL NUTRIENTS YOU CAN TRUST

Clean, effective,
science-backed formulas

MADE WITH CARE IN SOUTH AFRICA

Locally produced.
Globally inspired.

Why Nature's Nurture Works Better

ENGINEERED FOR ABSORPTION.
DESIGNED FOR REAL RESULTS.

RAPID ABSORPTION

Direct delivery into the bloodstream for faster impact.

SUPERIOR BIOAVAILABILITY

More nutrients absorbed, less wasted.

EFFORTLESS CONVENIENCE

Simple, on-the-go daily wellness.

ENJOYABLE EXPERIENCE

Great-tasting, easy-to-use formulations.

UP TO **70%** of traditional supplements are lost during digestion.

Why Sublingual Wins

A SMARTER ALTERNATIVE TO TRADITIONAL SUPPLEMENTS

TRADITIONAL SUPPLEMENTS

Slow digestion process

Nutrient loss during breakdown

Delayed effectiveness

Requires water & routine

VS

NATURE'S NURTURE SUBLINGUAL SPRAYS

Instant absorption via bloodstream

Maximum bioavailability

Faster, noticeable results

Simple, on-the-go usage

FACTOR	TRADITIONAL PILLS		SUBLINGUAL DELIVERY
 Absorption Speed	Slow	>	 Fast
 Nutrient Retention	Low	>	High
 Convenience	Medium	>	High
 Effectiveness	Inconsistent	>	Reliable

Up to **70%** of nutrients are lost in traditional digestion.

THE SMARTER PATH TO NUTRIENT ABSORPTION

Fast. Convenient. Precisely Delivered.

WHY CHOOSE SUBLINGUAL DELIVERY?

RAPID ABSORPTION

Delivered through the oral mucosa for quick entry into the bloodstream, bypassing the digestive system.

EFFORTLESS CONVENIENCE

Simple spray application—no pills, no swallowing, no water needed. Use it anytime, anywhere.

CONTROLLED DOSING

Each spray delivers an accurate, consistent amount for optimal results you can trust.

Up to a
FASTER ROUTE
to nutrient
delivery compared
with traditional
digestive
absorption.*

*Compared to traditional oral ingestion.

SCIENCE-BACKED

Advanced delivery technology you can rely on.

USER-FRIENDLY

Designed for real life. Built for better health.

CONSISTENT RESULTS

Better absorption. Better outcomes.

ESSENTIAL NUTRITION. MAXIMUM IMPACT.

Unleash Your Potential: The Power of B12 & Folate

B12 + FOLATE

The Foundation of Energy, Neurological Function & Cellular Growth

Together, Vitamin B12 and Folate support the body's most critical performance systems—from cognition and nerve health to DNA synthesis and red blood cell production.

VITAMIN B12 (COBALAMIN)

Neurological Function

Supports healthy nerve signaling and cognitive performance.

DNA Synthesis

Essential for cellular repair and replication.

Energy Metabolism

Helps convert food into usable cellular energy.

Myelin Support

Maintains the protective sheath surrounding nerves.

**STRONGER TOGETHER.
BETTER RESULTS.**

FOLATE (VITAMIN B9)

Cell Growth & Development

Supports healthy cell formation and regeneration.

Red Blood Cell Formation

Essential for oxygen transport throughout the body.

Prenatal Development

Helps reduce the risk of neural tube defects.

DNA Production

Works synergistically with B12 in cellular processes.

WHY THEY WORK BETTER TOGETHER

Two essential nutrients.
One powerful partnership.

B12 SUPPORTS

- ✓ Energy Metabolism
- ✓ Nerve Health
- ✓ Myelin Production

Easy Oral Spray
Sublingual delivery for faster and better absorption

Clean & Trusted
No allergens, preservatives or artificial additives

Iron deficiency remains the world's most common nutritional deficiency.
Nature's Nurture Iron Spray delivers highly bioavailable Ferrous Bisglycinate in a convenient oral spray format.

2+ Billion
People Affected Globally

Growing Demand
For effective iron solutions

Better Iron. Better You.
Stronger today, healthier tomorrow.

The Problem with Traditional Iron Pills

Many struggle with traditional iron supplements.

Common Side Effects

Nausea, constipation, and stomach upset are common with iron pills.

Slow Absorption

They also have slow absorption rates and low bioavailability.

Taste and Swallowing

Many have a metallic taste and are difficult to swallow.

Up to **50%** of users experience gastric side effects.

There's a better way.

Nature's Nurture Iron Spray is designed for superior absorption, gentle on the stomach, and easy to use.

High Absorption
Ferrous Bisglycinate for maximum bioavailability

Gentle on Stomach
Well-tolerated formula designed for daily use

Easy Oral Spray
Sublingual delivery for faster and better absorption

Clean & Trusted
No allergens, preservatives or artificial additives

Iron: Fueling Your Body from Within

1

ENERGY

Boost energy levels

2

OXYGEN TRANSPORT

Aids oxygen delivery

3

COGNITIVE FUNCTION

Enhance cognitive abilities

Supports healthy red blood cell production, energy levels, and cognitive function. Each dose delivers **5 mg of Iron**.

Iron supports oxygen transport, and sublingual iron is more gentle on the stomach.

FEMALES

Did you know you **lose 22.5 mg of iron (Fe)** during your periods, leaving you weak and tired for weeks?

Combat fatigue and dizziness with **21 BEETROOTS' WORTH OF IRON** in just 3 sprays of Iron Mouth Spray

FAST ABSORPTION
Sublingual delivery for maximum bioavailability

GENTLE ON STOMACH
Well-tolerated formula

CLEAN & TRUSTED
No allergens, preservatives or artificial additives

Why Choose Nature's Nurture?

Thoughtfully formulated. Scientifically backed.
Naturally better.

Bioavailability

Superior bioavailability compared to iron pills.

Quality

Doctor recommended and rigorously tested.

Flavor

Delicious natural flavor and easy to administer.

Suitability

Suitable for all ages and dietary preferences.

Science Backed

Formulated with trusted ingredients and research.

Clean Ingredients

No unnecessary additives, preservatives, or fillers.

Easy Oral Spray

Convenient, mess-free, and fast absorbing.

Trusted by Families

Made with care for your family's well-being.

THE BEST WAY TO START THE DAY

Let the sunshine in and feel the warmth.

THE SUNSHINE VITAMIN

Understanding Vitamin D3

Essential for stronger bones, better immunity & brighter days.

WHAT IS VITAMIN D3?

Vitamin D3 is crucial for overall health. It is produced in the skin upon sun exposure.

It supports calcium absorption in the gut.

It can increase absorption by up to 80%.

D3'S CRITICAL ROLES

Bone Health
Deficiency is linked to osteoporosis.

Immune Function
Activates immune cells to fight infection.

Mood Regulation
Influences serotonin levels for better mood.

NATURE'S NURTURE Vitamin D3 + K2 Oral Spray

Oral Sublingual Spray
Fast. Easy. Effective.

Vitamin D3 + K2
Powerful synergistic combination.

Strengthens Bone and Heart Health

Faster Absorption than Tablets

WHY SPRAY, NOT TABLETS?

FEATURE	ORAL SPRAY	TABLETS
Absorption Rate	Up to 80% 	~20%
Onset of Action	Fast	Slow
Ease of Use	Anywhere, Anytime	Needs Water
Gentle on Stomach	✓	May Cause Discomfort
Nutrient Delivery	Direct to Bloodstream	Digestion Dependent

Better Absorption. Better Results.
That's the Power of Oral Spray.

THE BOTTOM LINE

Stronger Bones

Stronger Immunity

Better Mood

Fuel your body with the sunshine vitamin.

Choose Nature's Nurture D3 + K2 Oral Spray.
